

PLENA10

WeRoad is a **community** of **travellers on the road** united by their will to discover far away countries and cultures and their desire to share this experience with their peers in sync with the preselected trip.

Our vision in **connecting people, cultures** and **stories**, how?

We travel in age groups (25-35 and 35+) and with different travel moods, and we discover new places worldwide! Each group has a travel buddy: our Travel Coordinator. WeRoad travel coordinator helps you get out of your comfort zone and live the whole experience with you.
